Col. George, AFSWP, Liaison Officer, called on May 17th and asked for a meeting with our Advisory Committee on Future Tests in Biology and Medicine. In the interim, Dr. Warren has organized a committee headed by Dr. George V. LeRoy who will be here May 24, 25 and 26. We have arranged provisionally for a preliminary meeting with the A.E.C. Committee for 10 A.M., May 25th at A.E.C. headquarters. Col. George indicated that approximately 5 men of his group would be here, with you and Dr. LeRoy representing A.E.C. Col. Preuss will be on call if we need his help. Col. Cooney is at Eniwetok.

We have arranged a full committee meeting for the A.E.C. committee on June 7, 8 and 9. I would suggest that we arrange to have our group meet on June 7 and 8 for organization and preliminary studies, and then hold a full-scale joint meeting on June 9.
